

Receiving Your Profit Earnings

How exciting to check your account every morning to see all the items that SOLD! When the sale is over, it's exciting to think about the cash you've earned. Some moms have paid for vacations, new appliances, new furniture- others have paid off bills, paid for dance classes or just bought gas for the month. Getting paid to clean out your closets has never been better than Three Bags Full!

How do I receive my earnings?

Your profit earnings will be automatically deposited into your PayPal account (think "direct deposit") within 10 business days (usually four). We pay the fee. You can keep your earnings in your PayPal Account and use it at thousands of retailers or you can access it via bank transfer (no fee), ATM, credit card, etc. Refer to PayPal if you are unfamiliar with the process. Their customer service number is 888-221-1161 and they are very helpful.

You will receive an email stating "You have money!" once the payment has been issued. If you do not have a PayPal account, included will be instructions on creating one. We highly recommend creating a PayPal account. If you choose to not create a PayPal account, 30 days after we send the initial payment the funds are returned to us. At that time we will issue a check to the address on file when the system closed. There is a \$2.00 processing fee deducted from your earnings. Your check will be issued within 5 days of the funds being returned to us.

What do I need to do?

Your email is important. Think "account number." Your PayPal email and your Three Bags Full consignor account email must be the same OR your Three Bags Full email must be "linked" to your PayPal account. Either change your contact email at Three Bags Full to your PayPal email address OR log into your PayPal account and add an email, using the email associated with your Three Bags Full account. You can have multiple emails associated with one PayPal account. If you've used PayPal in the past (but not recently) you may want to contact PayPal using the number listed above to make sure you are in "good standing" with PayPal to avoid your funds being denied on PayPal's side. **Any changes to your Three Bags Full email must be completed BEFORE the tagging system closes. Once it closes you will not be able to change your Three Bags Full email.** Make sure the email we have on file for you is associated with YOUR paypal account! YOU are responsible for providing us the correct email aka "account number"

Why PayPal?

It is a safer, more efficient and more reliable method of handling funds than a paper check sent via the USPS. No longer run the risk of a lost check or undelivered check. No longer run the risk of it being sent to an old address because you neglected to update your account information. You get your earnings quicker and in a more secure fashion. You can access your funds in multiple ways, including a transfer to your bank account which incurs no PayPal fees. **We pay the fee for you to receive your funds. You choose how to use them.**
