

July 26, 2008

Advertising with Three Bags Full puts you face-to-face with thousands of moms from throughout Central Ohio.

Grow your business, your client base and your mailing list by utilizing the unique marketing opportunities the Three Bags Full sale provides.

Place a large thumbnail ad on every page of our website with links to your own website. With over 4000 hits from February through April, you can be sure to see more traffic on your site. Or, place a small thumbnail ad with links on only our homepage, for the more budget-conscious advertiser.

To promote a service or product face-to-face, set up a Vendor Booth during the Fall 2008 Three Bags Full sales. You are free to display products & services during our shopping hours. You are not required to be present during the entire event. Pick and choose the hours you want to man your booth, leaving literature available during your off hours.

Contact vendor organizer Joyce Black at 740-927-8675 or 614-561-5300 or joymom1967@hotmail.com for more information. Visit our website at www.threebagsfull.info and see for yourself why advertisers and vendors use Three Bags Full to help grow their business!

Return the Registration Form today to maximize your advertising exposure. Web ads will run through February 2009 & receive maximum exposure 12 weeks prior to sale season.
