

# Returning Consignor

## **IMPORTANT UPDATES**

### Spring 2012

### **READ THOROUGHLY PLEASE!**

**Is your address correct? Please double check!!! Log in, click on "update account info" and be sure your email, phone & mailing address are correct. This must be done for EACH sale location in which you have ever consigned! Do so before the system close date!**

Checks will be mailed to the address on file at the time of the system close date. Checks are not forwarded and will not be re-mailed. If your address is incorrect at the time of the system closing, a \$30 stop payment fee is required prior to re-issuing the check. Checks will not be mailed more than once! (Sorry! We are re-issuing too many checks, re-mailing them, because of old addresses. Please update your info at the beginning of each sale season!)

Due to the Ohio Department of Commerce's decision to handle your items in the same manner as a brick and mortar resale/consignment store, any item with any kind of filling (fiber-fill) is now required to have a special spray to sanitize the item. They put the burden of sanitizing on the seller, not on the buyer. (Note: if you sell your item anywhere other than your personal property, they are trying to regulate you. To file a complaint, contact the Ohio Department of Commerce.) Items sprayed must be "thoroughly sanitized with one of two approved chemicals, left out for 30 minutes to dry, may not come in contact with unsanitized items, must be sprayed in a separate, well-ventilated area, mattresses may not touch the floor while cleaned, items must be re-sprayed if they come in contact with humans..." are some of the reasons we are no longer accepting the following items:

- Mattresses
- Carseat headrests
- Changing table pads
- Any sleep aid that has filling
- Blankets with filling
- Boppy pillows
- Stuffed toys, stuffed dolls
- Comforters, bumper pads, mattress covers
- Other items that have filling (bicycles, strollers, hi-chairs, etc ARE accepted. We will spray them prior to PreSale)
- If you have a question, email [DeAnn@threebagsfull.info](mailto:DeAnn@threebagsfull.info) These changes are for ALL sale locations.

**3BF Online Marketplace:** The place to sell your large, hard to transport items (furniture, 4 wheeler, swingset, etc) Email us a photo & info about the item, as well as the purchase price. Using paypal, pay 10% of the listing price to [DeAnn@threebagsfull.info](mailto:DeAnn@threebagsfull.info). When payment, photos & info is received, it will be posted on facebook and on our website. (Reach 6,000+ Three Bags Full shoppers) Please notify us when the item sells so we can remove the info. (Yes! You can sell your bedding via the 3BF Online Marketplace)

Drop Off Procedures have changed slightly. Be sure to read the "Drop Off Instructions" for your sale location.

Due to space limitations at some locations, the "Items Accepted" will vary. Please be sure to read documentation for each sale location individually. An item accepted at one sale location may not be accepted at a different sale location. **We are no longer accepting any bagged clothing. ALL clothing/attire MUST be hung.**

The "oops" method of checking clothing worked well in the fall. Drop-off was significantly faster and items were more consistently checked. However, we want to prevent consignors from abusing the system thinking "It's not checked, I'll take it" or "They won't know if I'm over my item limit." Yes, we will know. If you have abused the system, you will be charged a \$25 disposal fee and you may have consigning privileges revoked.

#### **REMEMBER:**

- If you volunteer for pick-up, bring someone with you to collect your personal items. NO EARLY PICKUPS.
- If you volunteer for drop-off, schedule a SEPARATE time for your own personal items to be dropped off. NOT during your shift. ("Common Sense" rule applies: working? Bring it with you. If there is time you can put it out. Don't plan on it however in case there is not time!)
