Summary of Consignor (Seller) Agreement:

1. You hang it, bag it and price it using our online tagging program. We advertise, set up the building and sell it. You earn and shop based on the info above and/or on the Premier Consignor Agreement. Helping out (being a Premier Consignor) is optional but has great perks (Consignor Fee is waived, you earn more and shop earlier). Read the Premier Consignor Agreement for info. You earn \$10 shopper credit for every new consignor you refer (they earn \$10 shopper credit also).
2. You provide us with a correct email affiliated with Paypal so we can deposit your earnings right away (or wait about 30 days for a snail mail check minus a \$2.00 processing fee) Read *Receiving Your Profit Earnings* for more info.
3. If it doesn't sell, you can pick it up at the designated time or leave it, it's up to you. If you leave it, we immediately donate it. Items cannot be reclaimed during or after donation, no exceptions.
4. You cannot sell recalled and illegal stuff. Don't sell stained, damaged stuff. Don't sell stuff with missing pieces. You wouldn't want to buy it either. Prepare your items carefully according to the information on our website to maximize your earnings!
5. For complete info, refer to the Complete Consignor Agreement, below (page 2)

Complete Consignor Agreement:

Consignor:

1. Registers for a consignor number, pays the non-refundable Registration Fee and agrees to this Agreement during the online registration process at www.threebagsfull.info. This gives Consignors access to the TBF Tagging System and therefore gives Three Bags Full permission to sell consigned items. Consignor hangs and prepares minimum of ten items; prices, tags and delivers items to this sale location. They maintain ownership of their items, determine if it is discounted, and choose to donate it if it doesn't sell, or will pick it up during designated Pick Up Times. Deadline to create pricetags is in box above. All Consignors Shop early at the Preview Party and early for the half price sale. RESTOCK consignors are regular consignors who register after we are "full" and receive the same perks but drop off items at a separate designated timeframe.
2. Understands that only one person may consign under a single consignor number. Named individual is the Consignor and receives the Preview Party Pass.
3. Receives commission of 60% of the selling price of their item, minus an \$18 Consignor Fee (no shifts and 51+ items) or \$5 (no shifts and 50 & fewer items). Consignor Fee is waived with the first shift. Consignor can choose to schedule shifts online to help at the event and therefore earn Premier Consignor Incentives. Adding shifts is not required. Refer to *the Premier Consignor Agreement* for more info.
4. Understands their earnings will be deposited in their Paypal Account, per the email address listed in their Consignor Account, within 10 business days. If Consignor elects to not utilize a Paypal Account, a check will be issued to the address on file when the system closed within 40 days. A \$2.00 processing fee will be deducted from earnings. We are not responsible for incorrect emails. Your email is the same as a banking account number. Make sure it is correct.
5. Must verify their items have not been recalled and are not illegal to sell. Verify recalls through www.wemakeitsafer.com. Knock-off purses are also illegal to sell.
6. Picks up un-sold items during designated Pick Up timeframe or leaves them to be donated. If left, they are donated to various local charities.
7. Understands that nothing may be "set aside" or "purchased early" and that "Parking Lot Sales" do constitute theft and are a breach of this Agreement. All purchases must be done during Shopping Hours. Hiding, removing items from the sales floor, etc are considered theft and are a breach of this Agreement and will incur a \$50 deduction from profit check and removal from Consigning privileges. *We do prosecute all theft including switching tags, altering tags, hiding items, removing items from the sales floor and parking lot sales, et al.*
8. If we are short staffed, a \$25 "no shift fee" may be incurred by all regular consignors. Prior notification would be given.
9. Understands lost/stolen items are not the responsibility of TBF and will not be reimbursed. Every effort is made to ensure the safety/security of your items, and adequate Premier Consignors greatly help this effort. ☺ Follow all tagging procedures and guidelines to help ensure the safety of your items.
10. Understands if a consigned item is returned due to negligent attention in having all parts included and in proper working order, it will be deducted from your earnings and the item will be discarded. Recalled items inadvertently found after drop off will be removed from sales floor and Consignor will have \$10 deducted, per recalled item, from profit check. Check for recalls at www.wemakeitsafer.com
11. Understands while participating as a Consignor, Premier Consignor or independent contractor, they will not directly or indirectly participate in the running, planning, organizing or sharing of procedures, marketing materials, resources, ideas, etc. of a dated children's consignment business for three (3) years and within 100 mile radius of date and location of this event. (Yes, you can consign items elsewhere. This pertains to using our Intellectual Copyrighted Items for the profit, running and consulting of a consignment, resale or other similar event that is not Three Bags Full.) Interested in running an event? Contact DeAnn.
12. Agrees to hold harmless and make no claim against TBF (Three Bags Full), the leasers of the space where the sale is held, any consignor or paid participants in the sale for any damage, theft or loss of any items consigned to TBF. Consignor assumes the risks of these events occurring by participating in the sale. Participation is voluntary.
