

What is a Restock Consignor?

When we reach maximum capacity for Sellers, we open for Restock Sellers/Consignors. This is based upon when you register. This is how we enable more families to sell & shop early with Three Bags Full, plus it encourages shoppers to come back and shop the new items on the sales floor. Being a Restock Consignors also puts you into the "returning consignor" category for subsequent events/seasons. Returning consignors always register first.

Restock consignors do NOT earn/sell less. What you sell is based on your pricing & items not when it hits the sales floor. Restock consignors still shop on Tuesday night with all consignors!

However, Restock consignors drop off on WEDNESDAY of sale week based on your location:

Pickerington: 9:30am-11:30am

Croton: 9:30am-11:30am

Hilliard: 10am-12pm

Restock consignors can sell the SAME items, with one exception: clothing. In the clothing category, restock consignors can only sell better brand, boutique, new & specialty wear clothing such as LLBean, Lands' End, Janie & Jack, Gap, Gymboree, Mini Boden, etc. (NOT Carter, Old Navy, Kohl's, WalMart, etc).

All other categories if items to sell remain the same!

We're super excited to be able to have you participate as a seller!! You're going to love it!!

See you soon!
