ITEM PREP & TAGGING INSTRUCTIONS

Clothing, Dance, Costumes, Swimsuits: Hang

- Attach tag using safety pin, sticker tag, or tagging gun
- Do **not** tag through the front of garment, making a hole. Attach tags at seams, back neck, or waistband
- Shake your items! If they fall off the hanger use a larger hanger or safety pin to the hanger.
- Our website has videos on using one hanger to sell outfits/multiple pieces as one set with one tag.
- If priced $20 or more zip tie to the hanger & receive security tag/sensor at drop off.

Books:

- Bundle multiple books using saran wrap, Ziploc bag, rubber bands, etc. keeping similar reading level/type of book together in the bundle.
- Attach tag to bag with clear packing tape. Attach tag directly to books with painters tape.

Shoes:

- Secure pairs together with safety pin, zip tie, or rubber band when possible.
- Ziploc bags are acceptable but not ideal for shopping

Toys, Arts & Crafts, Pretend Play:

- Use clear packing tape to attach tags OR painters tape if it is going over a sticker/decal.
- If multiple pieces, put in a Ziploc bag taped closed & securely attach to main part of toy.
- Games: do not tape box closed as pieces will be counted upon arrival at drop off. Secure loose pieces in Ziploc bags. Attach tag with painters tape to the outside of the box.
- LARGE ITEMS too difficult to easily carry: these will have a pink “Claim Ticket” attached at drop off. Secure loose pieces in a Ziploc bag & securely tape to the main item. Attach your barcode tag to the pink claim ticket when you arrive.

NOTES:

- If using a Ziploc bag, always use clear packing tape to tape the bag closed & to attach your tag to the OUTSIDE of the bag.
- Printing on WHITE CARDSTOCK paper is the BEST WAY to keep your items securely attached to the tag
- Cloth/Fabric items cannot go inside a Ziploc bag. Safety pin them together.
- Multiple pieces can be sold as a set using ONE TAG. Do not attach multiple tags to one hanger, toy, etc.
